## Weaving– Natural Materials

### Vocabulary

Weaving -A method of producing cloth using strips of wool, paper are threaded over and under a loom.

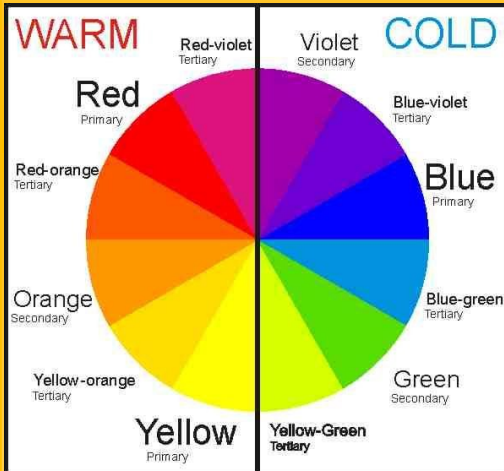

Pattern-Sequence

### Vocabulary

Loom-A device used to loom cloth.  
Assemble-materials are collected together.

Materials-paper, fabric etc...

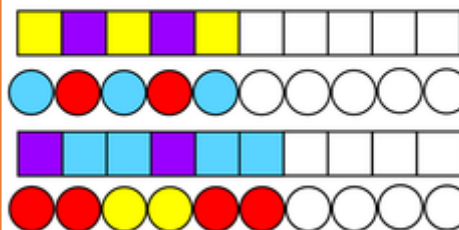

### Colour Tones

We will be looking at cold and warm colours.

### Patt

Patterns consist of a repetitive sequence of either colours, shapes or lines.

### Texture

Texture is the way something looks or feels. We have fabrics, natural materials, and plastics which give us texture.
