Dear Parents

Please find attached a copy of the final report following school's recent OFSTED inspection.

I am delighted to be able to inform you that St Hilda's CE Primary School is "Good" in all areas.

The outcome of the inspection is the direct result of the dedication and commitment of all our stakeholders including children, families, staff and governors. I do hope that you will take time to read the report, which will soon be available on the school website and also via [Find an Ofsted inspection report](#) - the OFSTED reports website.

I am so proud of the children and the staff, and it is wonderful to see their hard work and effort acknowledged in this way. Members of the Governing Body are equally delighted with our established status as a "Good" school. I know you will join me in expressing thanks and gratitude to the staff and in offering congratulations to everyone involved.

I have always felt extremely proud to be the Headteacher at St Hilda's and I know how fortunate I am to be part of such a truly remarkable community.

With thanks for your continued support.

Best wishes

Trish Burton
